## Introduction

The Centre for Youth and Community Music (CYCM) teaches music in a manner that is fun, educational and tailored to each student's individual needs and goals

The CYCM offers music curriculum for students of all ages starting from the “very young” in the “Early Childhood and Junior Music Program” right through to the “young at heart” adults in our “Non-Award Programs”.

Catering for the beginner to the more advanced student, the CYCM provides instrumental, vocal and theory tuition as well as offering a diverse and exciting range of ensemble programs.
